	QUALITY MANAGEMENT SYSTEM	Rev 14
	Doc ID: QUALITY MANUAL	Date: 14/06/2018

Quality Policy

Mechanical Systems Limited is committed to providing quality machine shop products, fabrication and construction, technical procurement, project management and field equipment installation and maintenance services that meet customers' and regulatory requirements. This is achieved through the use of well trained personnel, appropriate equipment, efficient work methods and high degree of quality control.

Our quality management system meets the requirements of API Spec Q1 9th Edition and ISO 9001:2015. Our products and servicing meet the requirements of the relevant specifications of API Spec 5 CT, 7-1 and 6A.

The company is committed to comply with requirements and continual improvement of the effectiveness of its processes, products and the quality management system to enhance customer satisfaction.

Anthony Ukasanya
Managing Director
